

Used Vehicle Limited Warranty

CarHop agrees to repair or replace any Covered Part of the above vehicle upon failure or malfunction of a Covered Part specified below, subject to the following terms, conditions, exclusions and limitations:

Warranty Coverage: The Limited Warranty covers only your use of the Vehicle. This Limited Warranty is not transferable to, nor enforceable by, any other person. The Limited Warranty applies only if the Vehicle is purchased primarily for personal, family or household use.

Warranty Term: This Limited Warranty covers the Vehicle for a period of 18 months from the date of this Contract, or 18,000 miles after the expiration of Minnesota's required limited warranty (see Additional Coverage section), whichever occurs first.

Covered Parts: CarHop will pay the total cost of the parts and labor necessary to repair or replace Covered Parts if the defect or malfunction in the Covered Part is caused by a mechanical breakdown or failure under normal service and use (the inability of any Covered Part to perform its designed function). The Covered Parts include:

- **Engine** - all lubricated parts, intake manifolds, engine block, rotary engine housings, ring gear, cylinder heads, fuel pump, oil pump, timing gears and chain, valve covers and water pump;
- **Transmission** - all internal parts, seals, gaskets, torque converter and transmission case;
- **Drive Axle** – on front-wheel drive and rear-wheel drive vehicles: the axle housings and internal parts, drive shafts, retainers and universal and constant velocity joints.

Additional Coverage (if your vehicle has less than 75,000 miles and this is marked). If this section is marked with an "X", your vehicle has less than 75,000 miles and Minnesota law requires that the Covered Parts identified above and the following parts be treated as Covered Parts under this Limited Warranty, with no deductible, for a period of 30 days from the date of this Contract or 1,000 miles beyond _____ (the vehicle odometer reading today), whichever occurs first.

Brakes - the master cylinder, vacuum assist booster, wheel cylinders, hydraulic lines and fittings, and disc brakes calipers;

Drive Axle – Axle shafts and output shafts;

Steering - the steering gear housing and all internal parts, power steering pump, valve body, piston, and rack;

Miscellaneous - the water pump; the externally-mounted mechanical fuel pump.

If this section is not marked with an "X", the above parts are not Covered Parts. Our obligations with respect to this Additional Coverage will remain in effect notwithstanding the fact that the term of the Additional Coverage expired, if the consumer promptly notified us of the malfunction, defect, or failure in the covered part within the specified warranty period and, within a reasonable time after notification, brings the vehicle or arranges with us to have the vehicle brought to us. In the event the malfunction, defect, or failure of any Covered Parts covered under the Additional Coverage occurs at a location which makes it impossible or unreasonable to return the vehicle to us, you may have the repairs completed elsewhere with our consent, which consent may not be unreasonably withheld.

Deductible: After Minnesota's required limited warranty period expires, for all repairs made under this warranty in a single repair visit, there will be a \$75.00 deductible charge to you. You will pay that amount to the repair shop. Only one deductible applies if the failed Covered Part(s) cannot be repaired on a single visit.

Warranty Exclusions: This Limited Warranty does not cover

- Any and all parts not expressly specified immediately above under the heading Covered Parts;
- Repairs covered by any manufacturer's warranty or recall program as well as repairs of a Covered Part because of collision, abuse, or your failure to properly maintain the Vehicle in accordance with the manufacturer's recommended maintenance schedule; the lack of appropriate fluid levels (e.g., oil, water, transmission fluid); continued operation of the Vehicle after the occurrence of a mechanical breakdown or warning light notice; modification of the Vehicle from or operation of the Vehicle in a manner that is not in conformance with the manufacturer's specifications or intended use; improper or contaminated fuel; negligence, theft, vandalism, or acts of nature or God;
- AFTER THE EXPIRATION OF THIS LIMITED WARRANTY, CARHOP DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

YOU ARE NOT ENTITLED TO RECOVER ANY CONSEQUENTIAL DAMAGES, DAMAGES TO PROPERTY, DAMAGES FOR LOSS OF USE, LOSS OF TIME, LOSS OF PROFITS, OR INCOME, OR ANY OTHER INCIDENTAL DAMAGES.

Our Obligations: In the event of a malfunction, defect, or failure of a Covered Part, CarHop, or CarHop's designee, will repair or replace the Covered Part or, at CarHop's election, accept return of the Vehicle and provide a refund to the Buyer. CarHop may, at its sole discretion, use new or used or remanufactured parts. The timeliness of the repairs may be affected by the availability of replacement parts.

Your Obligations: In order to obtain repairs or replacements under this Limited Warranty, you must:

- Promptly notify CarHop at _____ of any failure, malfunction or defect in any Covered Parts;
- Bring the Vehicle, within a reasonable time, to CarHop or arrange with CarHop to have the Vehicle brought to CarHop or a vendor selected by CarHop, for inspection and repair;
- Obtain the consent of CarHop before having repairs completed by anyone other than CarHop or a vendor selected by CarHop;
- Authorize in writing all repair work to be performed under this Limited Warranty;
- Allow CarHop to inspect the Vehicle both prior to and after a service/repair is performed pursuant to a claim under this Limited Warranty;
- Provide proof, in the form of service receipts, of having properly maintained the Vehicle in accordance with manufacturer's recommended maintenance schedule.

State Law Limitations: Some states do not allow limitations on how long an implied warranty lasts, or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This Limited Warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

This Limited Warranty is between you and CarHop. CarHop retains all obligations under this Limited Warranty upon assignment of this Contract.
